

7. Students and Community Service:

The students carried out remarkable volunteer initiatives, contributed to serving the university community and the community of Medina in particular, and their commitment to social responsibility was manifested through their active participation in projects that had a positive impact on society, as the number of volunteer hours for students exceeded 2200 hours, and the number of students participating in volunteer programs reached more than 400 students. Community service events were held through more than 20 different entities, the most prominent of which were:

1. Emirate of Madinah Province
2. Madinah Municipality
3. Ministry of Health
4. The Two Holy Mosques Affairs Authority - Prophet's Mosque
5. Chamber of Commerce in Madinah
6. King Salman Convention Center
7. Wafada Association
8. Madinah Munawwarah Association
9. Formula Saudi Arabia
